GAITY PLANNED FOR GUESTS OF BIG HOSTELRIES

New Entertainers, Hawaiian and Occidental Music, Among Features

New entertainers direct from the mainland, Hawaiian music in its most delightful form, special service, and many other features, have been secured by Manager T. B. Thiele of the Territorial Hotel Company for Carnival week to entertain the throng of tourists who will pour into this city from the coast Monday and Tuesday.

After Sunday the dining-room on the sixth floor of the Alexander Young hotel, which has been open to the public for the last several weeks, will be reserved exclusively for the holders of coupons issued by the Great Northern Pacific Steamship Company. Only those holding these coupons will be served in this dining-room.

Monday at noon, following the Great Northern's arrival, the dining room of the Royal Hawaiian will open for lunch, with all meals on the table d'hôte plan. Breakfast will be served throughout the week, from 7 to 10 o'clock every morning; lunch from 11:30 to 2 o'clock in the afternoon, and dinner from 6 to 8 o'clock in the evening. Northern Pacific coupons will also be accepted. The Moana and Seaside will also honor the steamship company's coupons.

Orchestra in Rathskeller. Special music will be played in the Young Rathskeller throughout the week, under the direction of Prof. Carl Mitner, the only exception being Friday, February 25. Hawaiian music will be rendered in the cafe, upstairs.

The entertainers who have appeared at the Rathskeller and on the roof-garden for the last several weeks will continue their engagement until the evening of February 21. Next Tuesday new entertainers will make their first appearance. They are Miss Estelle McMeal, Miss Marguerite Walker and Miss Ruth Williams.

Manager Thiele said today that reservations for tables for this occasion are being accepted now, and Honolulu as well as mainland visitors are urged to make their arrangements early, giving at the same time detailed instructions regarding service desired.

EXTRA HOURS GRANTED FOR FESTAL WEEK

Special after-hour privileges during Carnival week for hotels and restaurants holding liquor licenses will be granted, upon request, by the board of liquor license commissioners. This decision was reached at a meeting of the board yesterday afternoon, the first applicant being Heinie's Tavern, which asked permission to remain open until 2 o'clock each morning during the celebration.

The Tavern's request was granted, with the exception that on Wednesday, Thursday and Friday night it keep open only until 1 o'clock in the morning. On the opening night of the Carnival, and on the following night, the Tavern will be open until 2 o'clock. The Union Grill and the Honolulu Chop Suei House will be granted special privileges.

Application of the Peking Cafe to purchase the license of Mrs. Klenne in Punchbowl street and change the location, was denied. Permission was granted to the Seaside Hotel to transfer its license to the Territorial Hotel Company. License Inspector W. P. Fennell reported that, of the seven persons arrested in December for violating the liquor laws, five were found guilty and fined to the extent of about \$210. Seventeen arrests were made in January. Two violators were sent to jail for 30 days each and another for three months, while fines aggregating \$1210 were imposed.

entertainers who will be heard first next Tuesday evening are well-known in musical comedy and vaudeville circles.

Miss McMeal has appeared in musical comedy productions such as "A Modern Eve" and "My Best Girl." She has performed on the Orpheum circuit and has entertained at the Hotel Martiniere and Shanley's, New York. Miss Walker is a singer of popular songs and has also appeared in musical comedy and in vaudeville. She has entertained at Tait's, San Francisco; the Rathskeller, Seattle; and the Remick-Lowry, Salt Lake City.

Miss Williams, who will appear in "rag" music, last entertained at the Multnomah Hotel, Portland. She has never before been west and will consequently be new to the Honolulu visitors.

DANDRUFF GOES! HAIR GETS THICK, WAVY, BEAUTIFUL

Save Your Hair! Double Its Beauty in a Few Moments; Try This!

Hair Stops Coming Out and Every Particle of Dandruff Disappears

Try as you will, after an application of Danderine, you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most, will be after a few weeks' use, when you see new hair fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is immediate and amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance, the beauty and shimmer of true hair health.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow long, strong and beautiful.—Adv.
